

Bulkhead

Technical Specs: Aluminium & Timber Roller Shutters, & Aluminium Security Roller Grille

Notes:

- Bulkhead to be supplied and installed by CLIENT after installation of roller shutter.
- Design is indicative only.
- Adequate structural support to hold door weight and for fixing of drum support brackets and door guides to be provided by client.
- Clearances below are based on Motorised doors. For Chain and Hand operated doors refer to product Technical Specs for dimensions of 'G' & 'P'
- Sufficient access must be made available for future maintenance or servicing. If insufficient access is provided, Airport Doors will not be held accountable for any costs associated with the inability to maintain or service the door.
